Samiksha Gavand

Analyst/Software Engineer

Base Location: Mumbai

Email ID: samiksha.gavand@capgemini.com

Mobile No: +91 9769493637

Grade: A4

Strengths

- To utilize my technical skills and whatever I have learnt till now in problem solving effectively.

- Ready to learn new technologies/Frameworks and implement them to further improve my knowledge.

- A team player with good communication skill always ready to work for the enrichment of knowledge.

- Has completed training on Dot Net Core.

- Looking forward for a company where I can grow personally and upgrade myself simultaneously.

Achivement

- **Final year project named 'A new Adaptive E-learning system for students with Dyslexia'.**

- **Online objective examination system.**

- **Online food ordering system.**

- **Water management system using gsm module.**

- **Onspot Mechanic Service**

  The aim of this project is to save time by providing on spot repairing services to the user. Where user can book the services by filling the booking details online after registering/login to the application. It provide options to select the service packages according to the services they want, also user will get the invoice of the services they select and user can give the feedback of the services.
